Dear colleague,

On behalf of the *International Program Committee* of our *XIV Inter American Conference on Mathematics Education*, to be held in Tuxtla Gutiérrez, Chiapas, México, May 3-7, 2015, let us thank you very much for your kind collaboration as a scientific referee.

Your work has been very important for the success of this international congress.

We hope we can keep in touch in new occasions to promote the progress of Math Education in the Americas.

With our warmest regards

Angel Ruiz
